Hassan Al-Dosari

Senior Project Manager

hassan.dosari@example.com | +966 55 000 0603 | Dammam, Saudi Arabia | linkedin.com/in/hassan-sample

PROFILE

Senior project manager with twelve years in construction and facilities projects across the Eastern Province. Has delivered projects from SAR 4 million to SAR 60 million, working with clients, consultants and contractors. Plain-spoken, schedule-driven and careful with cost control.

CAREER TIMELINE

Senior Project Manager *2020 to Present*
Sample Construction Group | Dammam

- Manage a SAR 60 million commercial complex with a site team of 35 and four main subcontractors.
- Hold the programme in Primavera P6 and report progress to the client every two weeks.
- Kept variations to 2.4 percent of contract value through early review of every change request.
- Reached the structure milestone 18 days ahead of the contract date.

Project Manager *2016 to 2020*
Sample Facilities Developers | Khobar

- Managed six fit-out and renovation projects from SAR 4 million to SAR 22 million.
- Handed over five of six projects on or before the agreed date.
- Introduced a weekly site safety walk with the contractor and client representative.

Site Engineer *2012 to 2016*
Sample Contracting Company | Dammam

- Supervised concrete, blockwork and finishing works on residential and school buildings.
- Prepared monthly progress quantities and checked contractor claims.
- Kept the site inspection request log and closed open items before handover.
